following four attachments are only required if you have checked 'YES' to being a first time RWU employee in the student information section.

Please submit '**ONE'** attachment that *includes all four* requirements however, you must check off all four requirements.

4 Attachment must be in PDF format.

Etrieve can only handle PDF attachments at this time. Apparently, the system will allow the upload of some other types (specifically PNG files), but the attachment itself is not viewable.

Your student's authorization form may be returned to the submitter to re-upload in PDF format.

There is no way for us to delete the "bad" attachments at this point. The good news is that once again this is a scheduled enhancement – although likely not available until next year.

There may be some restrictions as to what you can name your document.

NOTE: If at any point, the authorization form is deemed incomplete or inaccurate for data entry, any department can "Return to a Previous User" for review and correction.

Tips-and-Tricks: 2020 W-4 Form

The Tax Cuts and Jobs Act (TCJA) made significant changes to tax rates, deductions, tax credits and personal exemptions, beginning in 2018. The IRS released new withholding tables for 2018 and 2019, but Form W-4 remained largely unchanged, continuing to feature an entry for number of withholding allowances. Prior to the TCJA, most withholding allowances were based on personal exemptions (i.e., one each for the employee, any spouse and dependents), yet the TCJA had changed the value of personal exemptions to zero.

Major Changes to the 2020 Final Form W-4 Include:

- Number of withholding allowances eliminated
- New Marital Status Head of Household (with associated tax tables)
- Lines to claim exemption from withholding were removed

Historically, Form W-4's title was 'Employee's Withholding Allowance Certificate.' The 2020 Form W-4 no longer calculates 'allowances,' so the title has been shortened to 'Employee's Withholding Certificate.'

For 2020, all employees need to complete steps 1 and 5 in the new W-4. Steps 2, 3, and 4 are only completed if certain criteria apply.

Step 1: Enter Personal Information:

All students must complete this step. If a student does not fill out the form, RWU is required to calculate their withholding as 'Single,' withholding their taxes at the higher 'Single' rate.

Below the personal information fields in Step 1, there are **Steps 2 through 4**. Most likely, these steps will not apply to students if they are single with only one job.

Step 5: Sign the form:

Easy enough, right? Okay.

Keep in mind that if the student does not sign the form, it is invalid. That means RWU will disregard your student's new W-4 selections and withholding, and instead calculate their withholding as 'Single' with no other adjustments.

Step 5:	Under penalties of perjury, I declare that this certificate, to the best of my knowledge and belief, is true, correct, and complete.

Claims of exemption from withholding:

If a student's 2020 total gross income is below the taxable income limit of \$9,875, they may not be required to file a 2020 tax return (single filing status under the age of 65).

If a student's income is below the amount of the filing requirement and no other filing requirements apply, they do not owe federal taxes on their income and they do not have to file a federal income tax return.

Qualifying employees/student's may still claim exemption from withholding; i.e., if an employee both (1) owed no federal tax in 2019 and (2) expect to owe no federal income tax in 2020.

To claim exemption from withholding, the student must certify that they meet both conditions above by **writing 'Exempt'** on Form W-4 in the space below **Step 4(c)** and **completing Steps 1 and 5**. Claims of exemption from withholding must be established annually.

Step 4 (optional): Other	(a) Other income (not from jobs). If you want tax withheld for other income you expect this year that won't have withholding, enter the amount of other income here. This may include interest, dividends, and retirement income	_
Adjustments	(b) Deductions. If you expect to claim deductions other than the standard deduction and want to reduce your withholding, use the Deductions Worksheet on page 3 and enter the result here	
	(c) Extra withholding. Enter any additional tax you want withheld each pay period	

It is important to note: Employees or students with current W-4 forms on file with RWU will **NOT** need to update their form unless they have a change in personal status or choose to change or update their withholding.

Even though the IRS does not require all employees to complete the revised form and even if your tax situation has not changed, it is recommended that you perform a "paycheck checkup" to see if you need to make adjustments to your current withholding. You can estimate your liability using the <u>IRS tax calculator</u>.

Employers must require **new hire** employees complete Form RI W-4 in addition to Federal Form W-4.

Effective January 1, 2020, RWU must have **new hire** employees complete Form **RI W-4** showing the number of dependents or other personal exemptions claimed.

Employers can no longer rely on federal withholding certificates (Federal Form W-4) in computing both the Federal withholding and the <u>Rhode Island withholding</u> for employees.

Form RI W-4 will be added to the Etrieve: Work Student Employment Authorization form shortly. Until then, please upload a completed Form RI W-4 for all new hire employees.
