

HEALTHCARE PROFESSIONAL'S WRITTEN OPINION

Within 15 days of evaluation for potential bloodborne pathogen exposure please forward to:

Associate Director
Environmental Health and Safety Department
Roger Williams University
One Old Ferry Road
Bristol, Rhode Island 02809

We, in turn will furnish a copy of this opinion to the exposed employee.

As indicated in the Federal Standard 1910.1030, the written opinion will contain only the following information:

1. Whether Hepatitis B vaccination is indicated for and employee an employee and if the employee has received such vaccination.
2. That the employee has been informed of the results of the evaluation.
3. That the employee has been told about any medical conditions resulting from exposure to blood or other potentially infectious materials which require further evaluation or treatment.
4. All other findings or diagnoses shall remain confidential and shall not be included in the written report.
